A man with a white beard, wearing a yellow baseball cap, sunglasses, a white t-shirt, and blue jeans, stands next to a blue 1973 Ford Bronco. The car is parked on a paved surface in front of a brick building and some trees. The man is leaning his right hand on the driver's side door. The car has "COOPER COBRA" tires and a "DAILY Saver" decal on the side.

The top row of the collage contains three photographs. The leftmost photo shows two men standing in front of a wall covered with trophies. The man on the left is wearing a blue polo shirt and a baseball cap, and the man on the right is wearing a grey sweatshirt. They are holding a large trophy together. The middle photo is a close-up of a large, ornate traveling trophy with a black cup and a gold base, sitting on a black plaque that reads "SCCA World of Wheels - Traveling Trophy". The rightmost photo shows two men standing in front of a wall covered with trophies. The man on the left is wearing a dark jacket over a plaid shirt, and the man on the right is wearing a grey t-shirt. They are holding a trophy together.

From the desk of Tom Kelly, Indy Mopar Club President

The Indy Hi-Winders graciously hosted the Indy Mopar Club at their Westside clubhouse on Thursday April 8. Their club presented our group with the 500 World of Wheels Club Participation Traveling Trophy for 2010. The "Indy Mopar Club" is now a permanent name on the trophy joining all the other annual winners since the first engraving in 1992.

Seventeen IMC members attended and had a great time meeting the Hi-Winders, many who have been members since starting in 1962 as well as some being 3rd generation members. John Bacher, their club president, along with Greg Manker, who oversees the World of Wheels Show, and their other officers in the club made the presentation. Afterwards the pizza boxes rolled in and they opened the fridge for drinks and treated us like royalty.

One IMC member had a wonderful surprise when their club wandered the parking lot and picked their favorite IMC car while we were inside. Rick Eilert was presented the Indy Hi Winders' Pick award plate for his Barracuda. It was a pretty cool award, complete with pin-striping and cut-in louvers.

We traded upcoming car show info so hope we can each participate in the other club's shows. They have a pretty awesome arrangement with the town of Danville to have a monthly cruise-in on the first Friday of each month starting in May. The exception is August where their cruise-in is on the 20th, the night before their 4th Annual "Motorama" Car/Truck/Bike Show on Aug 21 in Danville. The town square will be closed off for the cruisers and the local eateries and other merchants will open the doors to welcome the car crowd.

Again, many thanks to the Indy Hi-Winders for their wonderful hospitality. We look forward to seeing our new friends a lot at the car shows this summer!

The pictures below show a "dab" of the planning, time and muscles that went into winning the award.

From and about our members

Our sincere sympathy goes out to Susan and Larry Mayes for the passing of Susan's Mother on April 3rd. 2010, and to Bud and Debbie Mounce for the passing of Bud's Father, Roscoe, on April 13th. Losing a parent is always a hard one even though you know they are going to a better place and are in peace.

Ken Mosier's new Challenger SRT getting a twin turbo upgrade was featured on SPIKE TV on Easter Sunday at 11:30 am. They tested the car during the show. Reported by Dave Watt

Russ Flagle of Indy Cylinder Head said that he sent the JDRF \$1,900.00 from the reaction time racing at the swap meet. They only paid out \$300 and the rest of the folks donated their winnings back which amounted to \$700.00. The Indy Mopar Club sincerely thanks Russ for donating to our JDRF charity. Reported by John Bauer

While attending the Lynhurst Car & Craft Show, Saturday, April 17th, Ronda Cherry won Director's Choice Award with her '71 Dodge Challenger and Brian Berkowitz won Best Paint with his '72 Duster.

Tattler's Corner

At the Indy Hi-Winders trophy presentation everyone introduced themselves and told about their cars, (and I might mention there was a lot of kidding going along with this). The 15 pizza's that the Indy Hi-Winders provided got everyone in a mellow mood. Guess who turned the big "50" this year and looks like "30". No comment on how they act!!!! But we love that person just the same. And how about our "TV" star? Hopefully his wife kept his feet on the ground as I am sure he was up on cloud nine. But he deserved it so lots of kudos to him.

I would appreciate any news about our members that have attended other events and/or have had their cars or stories in other publications. This is your newsletter, help me make it an even better one by sharing this kind of information so it can be published here.
