October 21st, 2012, Sunday, Dave Sanders has organized the Indy Mopar Club Fall Cruise. Weather forecast is great, enjoy the day by getting the cars out before the weather turns.

Meet at Steak and Shake at Southport Road and State Road 37 South on the south side of Indy. If interested in breakfast, arrive around 9. Depart no later than 10am.

From there the cruise follow scenic roads across Ind. 44, Ind. 252 and State Road 9. with Indiana Grand Casino as the end point, it is just west of Shelbyville. The facility has a few dining options: steakhouse or market buffet. Note that smoking is allowed on the gaming floor.

Thanks to Dave for putting this together.

October 27th, 2012, 6:00pm, Saturday, we will have a pitch-in at Tom & Teresa Kelly's home, 2345 N SR 39, Danville, IN. IMC Club will supply hot dogs, buns. Each member should bring your own drinks, a covered dish (preferably filled), or dessert, and chairs. RSVP to Dave at indymoparclub@indymoparclub.com or call Dave at 317-696-6071. This is always a fun filled time. There's lots of good fellowship and chit-chat. And, if you haven't been there before, you'll get a gander at Tom's great garage and (partial) menagerie of cars.

JDRF Walk

From Brian Berkowitz: I just want to thank all the club members that participated in the walk on Oct. 6. We had a good turnout considering the wet and cold weather. We had 8 cars on hand and several of us participated in the walk.

This is Hayden, he is the son of a former co-worker of Brian Berkowitz. He has Type 1 Diabetes and is three years old. On a daily basis he gets his blood checked 10-20 times and 4-6 shots depending on his activity level. He asked to sit in my car and after that he wanted to sit in Dennis Cherry's Challenger and Steve Wisdom's Road Runner.

His Mother told me that this made his day and his Mother wanted to thank us for letting him sit in our cars. Sometimes it is more than money that we raise for our charity that makes a difference to a little guy!

Even though it was damp and cold the sun was shining brightly here.

Great job guys and gals!
