Presidents Message

We had a wonderful cruise last week. Maybe a little warm. It did not rain and could have been worse. The participants I talked to were all enjoying themselves. I would like to thank all that helped make it successful and raise over \$1100.

Lowes Avon Cruise-In June 2019

Chuck Butler of the Indy Mopar Club organized a Cruise-nic (Cruise-Picnic) on Saturday June 29 joining the Avon Lowes Home Improvement Center parking lot Cruise-In group that meets each Saturday night during the summer. The Lowes Cruise-In group meets in the northwest corner of the parking lot and raises donations for the Indy Honor Flight charity.

Our group met early and collected at the west side of the lot relaxing under the trees until joining the normal group as they began to arrive. The IMC had a great turn-out and the group drove brought many new Challengers, an early Challenger, early Darts, twin turbo '68 Dodge R/T, 'Lil Red Express, a '64 Plymouth Fury, Chrysler TC convertible and others.

We set up three pop-up awnings for shade and though it was a fairly hot evening, the group brought plenty of food, drink and their fold-out chairs for a great evening of visiting and relaxing.

The regular group that gathers also had a number of great looking Mopars in attendance including many new Challengers, Musclecar era vehicles and both a '47 and a mid '60 Dodge Truck.

Mid event, Jeff Platzer and Tom Kelly started at each end of the show lot and passed out flyers for the Fletcher Cruise-in. The group had a great time and hopefully we can do the again soon. Thanks Chuck for the great idea!

The 2019 Indy Mopar Club Fletcher Cruise-In

What a great day for a Cruise-In! Weather was perfect, plentiful sunshine, an abundance of eager helpers, bountiful donations for door prizes and auctions and a parking lot full of appreciative vehicle owners wanting to show off their pride and joy "Big Toys".

With the considerable number of car shows and cruise-ins as there are today, the choices of events for which car lovers can choose to display their automotive gems, makes it very competitive to draw a good number of participants. However, the Indy Mopar Club's Fletcher Car Shows and Cruise-Ins continue to draw great numbers. I believe this is due to the quality offerings and efforts the IMC put in to their events.

This year was no exception. Over 100+ participants showed up for the day's enjoyment and the comradery with other car enthusiasts. Food and drink was supplied by Chick-fil-A as well as a special treat from the Kona Shaved Ice truck. The door prize table was overflowing with very special goodies for the winning tickets and silent auction items. The Franklin Fire Truck was on display, viewed by many as the kids crawled all over it and were designated as Jr. Firefighters. (A note of interest; Dorinda declined the opportunity to ride up in the fire truck snorkel bucket.)

It was a great day for JDRF, our show's beneficiary, as the 2019 IMC Cruise-In generated thus far \$1,754.41 and still counting. We received \$75.00 from extra door prize tickets, \$69.00 from the silent auction, \$300.00 from T-shirt sales (which are still for sale) as well as a very generous donation from our major sponsor Fletcher Chrysler, Dodge, Jeep Ram. All proceeds go to JDRF.

Thanks to all the IMC members that participated this year to helped make this Cruise-In such a great success. We wish to thank all the participants and also a few of the past members that stopped by to participate and support our cause. A very, very special thanks to our sponsor Fletcher Chrysler, Dodge, Jeep Ram who with their effort, sacrifice and backing we could not even do this event. THANK YOU so very much!
