March 25, 2021 at MCL

Welcome to new member **Mike Kohout**, Indianapolis, who has a 1966 Plymouth Satellite. We hope to see him at the meetings and events.

March 2021 IMC President's Message

Well it was good to finally get together again to start the new year with the Mopar swap meet. Thanks for all who helped! The turnout looked to be very good in terms of the buyers. I'm sure everyone was anxious to get back to our hobby. I did notice that the number of vendors was down but not too badly. I heard from some of them that the business was really strong on Friday, so apparently the vendors were doing a lot of buying and selling early. I didn't get a chance to go over the numbers with Steve, but we'll do that at the meeting.

So yes, we will have our regular meeting at MCL on the 25th. Our goal at this meeting will be to discuss our upcoming events for the season and get some assignments in place on who can help with the organization we'll need in place. I did reach out to Kaye at York Chrysler in Plainfield to see if she can finalize a date. I have not yet heard back from her, but hopefully this week. I have been continuing to make progress on the Speedway show and I'll present some ideas and discuss a budget. I actually have the show flyer done and will bring copies to the meeting. The show is listed in oldcarsonly.com and I am already getting sign-ups. More to follow below.

I sent Randy some thoughts on getting this year's events posted on our website and on Facebook. We'll discuss any ideas anyone has, and get a motion of agreement on what additional changes we'd like to see on our pages. The impact of these sites has a lot of potential to help us grow the club, as it is obviously the future of communication, and it visually represents who we are. The more interesting and exciting we can make it the better, since there is competition out there. I am glad to see people posting on our Facebook page as often as they are, especially with questions. We definitely have a lot of experience within our group to help answer those questions.

I am thinking we should do a couple of meetings at some cruise-ins, maybe one at Lowe's and/or Danville or The Suds? Let's try to nail those down at the meeting. I will definitely want to do the June meeting in Speedway so we can walk the area and get a feel for what we'll need in place to do the show there. I do have a question about music and a loudspeaker system that we will need. I have a good sized tent my neighbor will loan us, and I think we have everything else we'll need. A guy already wants to do the photography. I'm sure more than one of you will have an update on the IRP situation for this year that we'd like to hear about. Personally I am hoping to have a car ready to run this season.

See you soon!

Thanks,
Jeff

Dick Crawmer made a motion to adjourn the meeting, Chuck Butler seconded the motion, the motion carried. The meeting was adjourned at 7:50
