Message from Jeff Platzer, President:

Message from the President.

Happy upcoming Thanksgiving to all! Can you believe we got snow Sunday? Hope everyone got their plants pulled in before they froze.

Well as you should all know, the monthly meeting is this coming Thursday the 18th at MCL. 7:00pm as usual. We will be voting for election of officers for the upcoming year.

At this point we learned at the last meeting that all current officers are willing to stay on in their positions. If anyone would like to run for a position, we would need your name in prior to the meeting Thursday. If you're interested let us know ASAP.

There is no meeting at MCL in December, so we hope to see you all at the Christmas party Dec. 11. Steve Wisdom will have all of those details. If you haven't been you need to come. Not only is there a lot of good food, but the drawing for the gifts is a blast. We have a great time so I highly encourage your participation. We can't wait.

It looks like Dodge will be thankfully continuing their high performance stance in the marketplace. Evan sent a couple of great articles about what's to come for the next two years. Check it out at <https://carbuzz.com/news/dodge-unveils-awesome-plans-for-next-two-years>.

Also, NHRA is introducing a new Factory Experimental class for the pony cars that sounds like it's going to be really awesome!

See you all soon!

Jeff

Sincere condolences and prayers go out to the following:

Steve and Cheryl Wisdom for the loss of Steve's sister Linda Phillips.

Family of Ken Mosier - no details at this time.

Jan Peel for the loss of her brother-in-law Harold Neill on November 10.

York Cruise-In 2021

Well after a cancellation in 2020 and a previous change of ownership from Westgate to York, the Cruise-in on September 11 went great. Bob Davidson, the former sales associate at the dealership who initiated this show years ago, returned as DJ along with his assistant Randy Ray spun a great assortment of oldies. They also had a wonderful tribute to the 9-11 tragedy as well as a tribute to the soldiers who gave their lives in Afghanistan.

A local BBQ truck wheeled in to feed the hungry and a great job they did!

The weather cooperated, though a bit windy at times, to make a very pleasant day. Even with competing with numerous local shows, including a huge event at Lucas Raceway/IRP, we had a great turnout with a nice diverse group of vehicles both new and old.

The show did a pretty good job of filling the front of the dealership and attracted quite a few spectators. Not sure if that translated into any vehicle sales for York, but that and raising money for the Club's charity, Juvenile Diabetes Research Foundation was the purpose. I know the mission was accomplished for JDRF. The final JDRF contribution (after covering expenses) will be announced at the next IMC monthly meeting on September 30.

Many thanks again to all the Club volunteers who oversaw passing out flyers, event set-up, registration, door prizes, parking and other various activities required for the smooth running of this event.

We want to thank the wonderful group at York Chrysler Dodge Jeep for sponsoring the Cruise this year and look forward to an even bigger event in 2022!
