Hello everyone, just a little reminder to have your suggestions ready for our pitch - in picnic location. See you all soon! .

I also attached a picture of Johnny with Cotton from Roadkill Garage . We attended the National Hotrod Tour at IRP Monday.... Was absolutely amazing to see all the cars and the states they drove in from. Thank you, Vickie

From IMC Member Kerry Klohr on his awesome 1969 Dodge Super Bee 440 Six Pack 4 Speed:

I got the car in November of 2021. It was pulled from a farm field and had a major redo in '99-'01. The original driveline was not present, and it needed the floors and quarters replaced. All of this was done by the owner before me. He also added the following:

- 1970 date code rebuilt 440;
- 1968 date code A833, may be an 18 spline;
- 4:10 Dana, unsure of the date.

Since I purchased it, I have done the following:

- Repaired the k-frame strut mount holes;
- Replaced bent lower control arm and strut rod on passenger side;
- Installed new 6-pack system;
- Replaced hoses and belt with OEM style;
- Rebuilt center carb due to factory defect.

"This car is a decent driver quality but far from a perfect restoration. The list of future upgrades is endless but I'm enjoying driving it as it is for now."

Kerry Klohr's beautiful A12 Optioned (440-6 Pack) Dodge Super Bee. These (and its sibling Road Runner 440-6BBL) are referred to as 1969-1/2 models as they were introduced as a mid model year option.

The A12 cars came from the factory with plain black steel wheels (no hubcaps) and red wall tires as part of the package.

The three carbs, 4:10 Dana rear differential, huge fresh air system with the flat black fiberglass lift-off hood let the other gearheads know this was a purpose built drag racing machine!

The 'A12' and a few other clues on Kerry's fender tag denote it's a 440 Six Pack.

What car story would be complete without some cool "Before & In-Process" photos of the car's history?!!

TATTLER'S CORNER *(In Memory of Jan Peel and her awesome sense of humor!)*

We had a little Birthday Celebration at the May 22 Meeting at Portillo's. The meeting date just happened to fall on the same day as our long serving Treasurer, current Fletcher coordinator and former IMC President, so Vickie prepared and provided delicious Birthday Cupcakes for the occasion! Not sure if she was clued in but his lovely spouse also attended!!

Happy Birthday Steve Wisdom!
