 - F. Bob Vorpe discussed his resolution to a low oil pressure (10psi at idle 30 at speed) issue in his '67 Dart’s 273 engine. Issue was found to be a missing internal block oil passage plug that may have been missing from day one. After replacement, oil pressure was back to 50-60 at speed.
 - G. Tom Kelly discussed Jan & Stan Peel connection to not only the IMC but their founding of the **Hoosier Region Chapter of the Plymouth Owners Club**. Considering that group has lost many older members from passing away and has resulted in dwindling membership. In honor of Jan & Stan, Tom requested sending the IMC Newsletter to the Hoosier Region’s remaining membership without dues for a year. He suggested providing a section for their news in the IMC Newsletter. The IMC group present unanimously agreed.
10. Motion to adjourn meeting @ 7:40 pm. Motion: Randy Smith; 2nd: Steve Claycomb.

June Meeting Attendance

22 members & 1 guest present

Ronda Cherry /Tom Kelly

Jeff Andis, Ronda Cherry, Steve Claycomb, Bill & Randi Edgerton, Jonnie Kautz, Tom Kelly, Kerry Klohr, Ron Kriech, Larry Mayes, Ed Needy, Scott Oller, Dave Opel, Randy Smith, Walter & Elaine Thomas, Bob Vorpe, John & Vickie Walker, Steve Wisdom, Rick Zimmerman & grandson Rhett, Guest Ron Foley (friend of Steve Claycomb).

Larry's Prowler & Steve's Challenger.

Member **Dan Kelly** is making progress (with help from brother Jim) on his 1968 Dodge Super Bee, original 'J-Code' Hemi Automatic out in Pueblo, Co. It's rolling on its new redwall tires now & trim is going on. He went on a shopping spree/treasure hunt at **Carlisle** ordering new reproduction Legendary Upholstry, headliner, carpeting and tracking down other harder to find pieces. Dan will bring it back east for **Moparty in Bowling Green Kentucky** in September for the second **National Hemi Owners Reunion**. It will still only be a shiny red roller for the show (assuming he hasn't won the Lottery yet to complete the Hemi and transmission!).

Speaking of **Chryslers at Carlisle**, IMC members **Larry Mayes, Vickie & John Walker, Jeff & Deb Platzer, Dan, Jim and Tom Kelly, Rick Zimmerman & Mike Leyes** all made the trek for the big Chrysler Corporation 100th Anniversary celebration. It was a phenomenal show featuring an outstanding display at the adjacent Convention Center by the Walter P. Chrysler Club and the Plymouth Owners Club. Look for coverage here next month!

TATTLER'S CORNER (In Memory of Jan Peel and her awesome sense of humor!)

*Not really too humorous, but looks like one member of the Indy Mopar Club was going for a record on the trip to Carlisle PA for the 100th Anniversary Chrysler Meet. Larry lost four (4), if I got it correctly, trailer tires on his round trip! Ok, that beats my one (1) broken belt truck tire. We attribute a large part of the record to the **Indiana Railroad Track known as I-70 East**. Not sure that road has been properly repaired since the days of the Conestoga Wagons. I've long proposed we push over the Sound Walls that are built along the Indiana Interstates and that we drive on them instead of the quilted asphalt and concrete rollercoaster roadways. With smooth roads and less frequent tire explosions and subsequent shrapnel, adjacent neighborhoods would be much quieter and therefore not need the sound & debris barrier walls...*
