Ronda and Dennis Cherry

Hi everyone, I'm really not very good at this sort of thing, but here goes! When Dennis and I met he owned 3 different cars. There was a 1976 Plymouth Arrow, a 1970 Cuda and a 1970 Superbird. I didn't have a car because I couldn't afford one. I was using my Dad's old used mail truck that he had purchased as an everyday vehicle to get back and forth to work. It was a lot of fun to drive though because the driver's seat was on the opposite side of the truck. Dennis actually bought me my first vehicle and it was a 1966 Dodge Coronet, gold in color with a wrecked front fender. He ended up selling it to a friend and it got stolen.

I really liked the Bird and the Cuda. The Cuda was black and had Flames on the front and Indiana Kid on the quarter panels. (If you are wondering about the quality of the picture of it it's because Dennis carries it with him all the time.) But when the gas crunch hit in the early 80's he decided to sell it, even though I didn't want to! He ended up selling it to a buddy. One night the guy was showing off to some other friends and broadsided a customized van. I don't know what happened to it after that.

As for the Superbird, we had both gotten laid off from our jobs and it was sell the Bird or the house. Well, we ended up selling the Bird since we couldn't live in the car. Personally, I wish we could have kept the Bird. Since then we have had several cars that I wish we still had. But things happen that is out of our control.

After registration of 26 entries, the show started with the National Anthem and enthusiastic applause. The group dodged rain, dried, shined and then repeated the process but always kept the smiles and laughter. We did share the dealerships' large overhang with the delicious Bar-B-Q pork and corn on the cob, graciously donated by Fletchers. Sooo...we all stayed dry and obviously no one went away hungry!

As typical with IMC shows, the host dealership staff did the judging. Everyone was a winner as we only had 25 vehicles for the TOP 25 but the Fletcher judges did put in a good day determining the winners of the "Best Of" awards. Additionally, Ken and Pat Mosier graciously donated the **FINER DETAIL AWARD** and its accompanying \$100 cash award for the show, also chosen by the Fletcher Staff.

When the final raindrops dried, the "Best Of" Award winners were:

BEST MOPAR:	Denny Parker	'69 Dart GTS
BEST GM	Oren Snyder	'55 Chevy Bel Air
BEST FORD	Herb Adkins	'52 Ford Pickup
BEST TRUCK	Glen Kirk	'01 Dodge Ram 2500

### Tattler's Corner

Well, I know that there were some shenanigans going on at the Mopar Nats but it seems like no one wanted to be a “tattle tale”. I was hoping for some pictures of the proof of that but so far none have come to my attention. Maybe later?????????

I would appreciate any news about our members that have attended other events and/or have had their cars or stories in other publications.
